

CSR Activity

Date: 21-30th June 2012

Venue: Permy Jaya wild bushes.

Activity: DMR assists DOE to create fire break preventing spreading of fire at Permy Jaya.

Wildfire at Permy Jaya

DMR honoured in the local newspaper for rendering assistance to DOE.

Thanks & Recognition's Certificate as appreciation from DOE to DMR.

Daiken Miri received an urgent request for assistance by Dept of Environment(DOE) Miri on Sunday June-24th 2012 to deploy excavator for digging streamline of drain or well so as to prevent fire from spreading at Permy Jaya which caused significant haze or air pollution during that period. DMR had rendered effective assistance including supplying cord log as barrier to retard fire from spreading and had successfully completed the operation on June-1st 2012.
