

CSR Activity

Date: 27th July 2018

Venue: Daiken Miri Sdn Bhd

Activity: Factory visit by Lions Club of Miri

On 27 July 2018, DMR had received a group of visitors from Lions Club of Miri. A total of 23 persons comprised of 5 Japanese Lions Youth Exchange students, Lions from Curtin Uni, Riam Sec School, SM Pei Min and also hosting families of the exchange youth students., The purpose of the visit is to learn and familiarize themselves with the whole process of MDF manufacturing. Prior to the start of the factory tour, the visitors were being briefed on the introduction to MDF, its usability and MDF prospect in the global market. Overall, the visitors found the factory tour to be educational and informative, especially to these young students.
