

CSR ACTIVITIES-BINTULU DENGUE RUN 2019

SK Tanjung Batu, one of local primary school proudly organized the first running event, Bintulu Dengue Run 2019 on 24 August 2019 (Saturday). Four hundred runners from all walks of life completed the 7.6 km run flagged off from Naim Bintulu Paragon. This event received overwhelming response from school staffs, parents and students and individuals including employees from private companies. It was held to support the school's activities to promote a campaign against dengue.

30 participants from Daiken Sarawak Sdn. Bhd. (DSK) joined this benefic event. All participants gathered at starting point at 5.30 a.m. and flagged off at 6.00 a.m after warm-ups.
